VOICE Student Enrollment

VOICE’s school bus range covers expansive territory throughout District 30, which opens up our school to a widely diverse population across school zones.

VOICE’s open enrollment is a lottery system with a SNAP preference, allowing us to best serve the families in Long Island.

VOICE Student Recruitment

VOICE sends approximately 30,000 thousand applications in English and Spanish with a brochure to every child of school age in the district. The application is simple and requires minimal information.

Parents recruit students from their community organizations and churches.
VOICE Parent Support

Spanish Interpretation and Translation

VOICE works with a great number of primarily Spanish-speaking parents and guardians by providing Spanish interpretation and translation services for both families and staff.

We are always on the lookout for opportunities to support our non-English/Spanish speaking families. We have New York City Department of Education provided interpreters available via phone to translate from 100 different languages.
VOICE Parent Engagement

Parent Association (PA)

➤ VOICE’s PA is comprised of a group of parents dedicated to actively engaging new families by hosting fun and meaningful events.

➤ Our PA plays a crucial role in communicating VOICE’s mission out to the community.

➤ This spring, VOICE and our PA are teaming up to host a Parent Resource that will be attended by various community-based organizations from the Boys and Girls Club to the Sylvan Learning Center.
VOICE Celebrates Diversity

Parade of Nations Annual Event

Each year, the VOICE community comes together to celebrate the diverse backgrounds of our families and students in a joyous event we call the Parade of Nations.

- Between 25-30 different countries from Colombia to Myanmar are represented.
- Decorated tables with national food and drink are hosted by VOICE parents and friends for all VOICE students and staff to experience.
